(Step) AFTER - execution.AppHooks.  
tearDownScreenshot(io.cucumber.java.  
Scenario)

(S) Fill all the details in audition form

(F) Audition form

The screenshot shows a web form titled "2024 Audition Registration" with the subtitle "Begin the Journey!!!". The form is set against a light gray background featuring the "IMPULSE DRUM & BUGLE CORPS" logo at the top. The logo consists of a stylized yellow exclamation mark with a black dot, followed by the word "IMPULSE" in bold black letters, and "DRUM & BUGLE CORPS" in smaller black letters below it. The form itself is a white card with the following fields:

- Full Name \***: Two input fields side-by-side. The first is labeled "First Name" and the second is labeled "Last Name".
- Instrument/Role (Please Select One) \***: A dropdown menu with "Please Select" as the current selection.

At the bottom of the form, there is a dark blue footer bar. On the left, it says "Jotform" with a logo. On the right, it says "Now create your own Jotform - It's free!" followed by a green button that says "Create your own Jotform".
